

## SOCIAL DATA TERMS

In addition to the terms of your license agreement, the following terms apply to your use of Social Data. Social Data includes all digital persona data, psychographics and professional and educational data related to an individual, including aggregated and anonymized data related to an individual's profile.

1. You will not use Social Data (i) for cookie tracking, ad exchanges, ad networks, data brokerages, or sending electronic communications (including email) in violation of applicable law; (ii) to determine any person's employability, credit worthiness, credit standing, credit capacity, or other characteristics related to such person's manner or mode of living, as listed in Section 603(d) of the Fair Credit Reporting Act; or (iii) in any manner that exceeds the scope of the licenses granted hereunder.
2. You represent and warrant to PBSI that you have obtained or possess all rights necessary, including any third party consents required under applicable laws, to authorize PBSI to use the Submitted Information for the purposes contemplated hereunder. For purpose of this license, "Submitted Information" means Contact Information that You submit in connection with the services provided by PBSI, and "Contact Information" means any data or information that can be used to identify and contact any individual, including without limitation, names, phone numbers, email addresses, and postal addresses.
3. Submitted Information may consist of Contact Information for individuals that has been hashed using either MD5 or SHA256 cryptographic hash function or other hash function ("Hashed Submitted Information"). Notwithstanding the foregoing, if You provide any Submitted Information that is not Hashed Submitted Information, such Submitted Information will be subject to the following license: You hereby grant PBSI a limited, revocable, license to reproduce and use Submitted Information solely in connection with the provision of PBSI products and services to You and for PBSI's internal business purposes, including enhancement of the Social Data database and other related products and services. All Submitted Information that is comprised of individually identifiable information will be treated by PBSI in accordance with the Pitney Bowes Privacy Statement located at:
